

NEWS FROM THE NEST

JULY/AUGUST 2023

FROM THE PRINCIPAL

Dear Parents and Guardians,

I hope this newsletter finds you well rested and ready for the start of another great school year. I wanted to take a moment to introduce myself as the new principal of Boone Central Elementary. I am incredibly excited to be a part of this wonderful school community and to work together in supporting your child's educational journey.

I bring a passion for education and a commitment to creating a positive and inclusive learning environment. Throughout my nine years in education, I have seen firsthand the transformative power of education in shaping young minds and preparing them for a bright future.

I strongly believe in open communication and collaboration between home and school. Your involvement is crucial, and I encourage you to share any questions, concerns, or ideas you may have. Together, we can create a nurturing and enriching educational experience for your child. Our dedicated team of educators is committed to providing well-rounded education that not only focuses on academic growth but also the social and emotional well-being of our students. We will foster critical thinking, creativity, and character development to equip your child with the skills they need to thrive in today's world.

I am genuinely excited to get to know each and every one of you and to work hand in hand to create a supportive school community. We hope to see everyone at Registration on August 3rd & the Elementary Open House on August 9th! Your presence and participation make a difference!

I look forward to a successful and fulfilling year at Boone Central Elementary.

Sincerely,

Claire Kayton, Principal
